assesses key leadership lessons from our past nine presidencies to offer coming presidents

from the bestselling author of eyewitness to power a practical study of leadership and a cri de coeur for young leaders to commit themselves to public service

a book that analyzes what leadership really means and how it relates to power it will be invaluable for both political and business leaders alike nye developed the concept of hard and soft power and now he shows how best leaders use both in a smart way walter isaacson president the aspen institute

keeping the republic s lively discussion of who gets what and how develops studentsÆ critical thinking abilities in the intro american government course every section and every feature in the book has one goal in mind to get students to think critically and be skeptical of received wisdom serving as a true aid to teachers each chapter is designed to build students analytical abilities by introducing them to the seminal work in the field and showing them how to employ the themes of power and citizenship this proven text builds confidence in students who want to take an active part in their communities and government to play their part in keeping the republic and to consider the consequences of that engagement

new york times bestseller the definitive account of one of the most accomplished controversial and polarizing figures in american history bill clinton is the most arresting leader of his generation he transformed american politics and his eight years as president spawned arguments that continue to resonate for all that has been written about this singular personality including clinton s own massive autobiography there has been no comprehensive nonpartisan overview of the clinton presidency few writers are as qualified and equipped to tackle this vast subject as the award winning veteran washington post correspondent john f harris who covered clinton for six of his eight years in office as long as any reporter for a major newspaper in the survivor harris frames the historical debate about president william jefferson clinton by revealing the inner workings of the clinton white house and providing the first objective analysis of clinton s leadership and its consequences harris shows clinton entering the oval office in 1993 primed to make history but with the cold war recently concluded and the country coming off a nearly uninterrupted generation of republican presidents the new president s entry into this maelstrom of events was tumultuous his troubles were exacerbated by the habits personal contacts and the management style he had developed in his years as governor of arkansas clinton s enthusiasm and temper were legendary and he and hillary rodham clinton whose ambitions and ordeals also fill these pages arrived filled with mistrust about many of the characters who greeted them in the permanent washington that often holds the reins in the nation s capital showing surprising doggedness and a deep set desire to govern from the middle clinton repeatedly rose to the challenges eventually winning over or running over political adversaries on both sides of the aisle sometimes facing as much skepticism from fellow democrats as from his republican foes but as harris shows in his accounts of political debacles such as the attempted overhaul of health care clinton s frustrations in

the war against terrorism and the numerous personal controversies that time and again threatened to consume his presidency bill clinton could never manage to outrun his tendency to favor conciliation over clarity or his own destructive appetites the survivor is the best kind of history a book filled with major revelations the tense dynamic of the clinton inner circle and clinton s professional symbiosis with al gore to the imprint of clinton s immense personality on domestic and foreign affairs as well as the minor details that leaven all great political narratives this long awaited synthesis of the dominant themes events and personalities of the clinton years will stand as the authoritative and lasting work on the clinton presidency

at the peak of his career speaker of the house jim wright exercised more power than any other member of congress in this century then he became the first speaker of the house to be forced from office here barry traces the political and legal maneuvering the deals personal grudges and professional favors through which our public policy is decided

so you ve gotten yourself elected president now what help is here in the form of an imaginary memo from your former professor who integrates the works of the great thinkers aristotle plato machiavelli etc with contemporary scholarship to address the strengths limitations and possibilities of presidential leadership michael a genovese a highly esteemed presidential scholar culls numerous nuggets of wisdom about presidential leadership including past presidents condensing detailed and academically grounded insights into an engaging and entertaining read all essential topics are covered including presidential character and personality political institutions and opportunities power versus leadership and sources of and limits to presidential power in depth coverage of crisis management and wartime decision making are unique strengths of the book chapters are brief and concise making memo to a new president far more interesting than supplements such as case studies or documents genovese s presentation allows readers to identify with the various constraints on america s chief executive and gives them an opportunity to apply their knowledge and preconceptions often misconceptions to the political realities that presidents routinely face students are left to grapple with a central question of the book is an effective presidency possible without undermining the essence of a democratic republic

this annually updated reader is a compilation of current newspaper magazine and journal articles from the best of the public press some topics address are dealing with government and organizational behavior public management practices and information systems technology along with public finance budgeting and productivity improvement our student site dushkin online dushkin com online is designed to add additional

support to this title

mark rozell's executive privilege has provided for the past decade an in depth review of the historical exercise of executive privilege and an analysis of the proper scope and limits of presidential power now rozell has updated this important work to cover two new presidents bill clinton and george w bush and show how both have revived the national debate over executive privilege book jacket

a thoroughly revised updated and newly illustrated version of the gaddis smith called the best book on the totality of the carter presidency the new edition includes more on the former president's foreign and environmental policies and expands coverage of the personal carter as well as his wife rosalyn's activist role during his administration

examines the presidency as a constitutional office covering how it was shaped by its design at the constitutional convention in 1787 and by later constitutional amendments supreme court decisions and custom and precedent discusses the various roles of the chief executive including chief of state chief administrator legislative leader chief diplomat commander in chief and chief economist

demonstrating the power of each zone's core ideas in practice he lays out a thoughtful approach to connecting spirituality authenticity and leadership within the context of these real world situations to strategic action

powers of the presidency second edition thoroughly examines the formal and inherent powers of the nation's foremost elected office beginning with a look at the constitutional origins of presidential power each chapter traces the historical development of presidential authority up to contemporary times

on the surface the new president seems to inherit an empty house hugh heclo a recognized expert on american democratic institutions has noted in fact he enters an office already shaped and crowded by other people's desires empowering the white house examines how richard nixon entered that crowded oval office in 1969 yet managed to change it in a way that augmented the power of the presidency and continues to influence into the twenty first century how his successors have governed nixon's white house is perhaps best remembered for the growth in the size of the staff which operated under the supposed iron fist of h r haldeman but more important than size and management style to the

character of the Nixon White House were the assigned tasks complexity and dynamics of the burgeoning staff faced with hostile majorities in Congress and executive branch careerists assumed to be committed to a democratic agenda Nixon sought to control his political fate by engaging more actively than earlier presidents in public relations and the mobilization of support at the command and under the control of the Oval Office the staff carried out assignments designed to fulfill Nixon's aims this theoretically informed and well researched study explains how Nixon changed and expanded the institutionalized presidency and how that affected the Ford and Carter administrations Nixon ushered in a new stage in the modern presidency by organizing and using his increasingly complex staff in new ways that have persisted beyond the 1970s to this day to a greater degree than any predecessor Nixon systematized outreach legal advice and policy formulation his White House staffing then has come to be regarded as a standard model that influences incoming presidents regardless of party affiliation leaving this organizational study are revealing accounts of how the Nixon Ford and Carter staffs operated behind the scenes in the West Wing anyone needing to know how the White House worked during those presidencies or how it has worked since will find this book invaluable

the ear of the leader must ring with the voices of the people together they rise to the challenge of the day Woodrow Wilson

Yeah, reviewing a book's **Eyewitness To Power Gergen David** could add your close connections listings. This is just one of the solutions for you to be successful. As understood, expertise does not suggest that you have astounding points. Comprehending as capably as bargain even more than new will manage to pay for each success. next to, the statement as well as acuteness of this **Eyewitness To Power Gergen David** can be taken as skillfully as picked to act.
