the grand grimoire red dragon the grand grimoire is a black magic grimoire it was 1st written in the early 19th century also known as le dragon rouge or the red dragon this book contains instructions purported to summon lucifer or lucifuge rofocale for the purpose of forming a deal with the devil the work is divided into two books the first book contains instructions for summoning a demon and for the construction of tools with which to force the demon to do one s bidding the second book is further divided into two parts the sanctum regnum and secrets of the magic art of the grand grimoire the sanctum regnum contain instructions for making a pact with the demon allowing one to command the spirit without the tools required in book one but at greater risk secrets contains simpler spells and rituals one can employ after having performed the ritual in the first book edited and translated into english by edmund kelly the red dragon is a book that holds its place in occult literature

the red dragon has been variously treated as a grimoire a piece of folk literature and a joke manuscript it comprises one part of what is loosely termed the grand grimoire a collection of magickal works from the renaissance such as the black pullet and lesser keys of solomon the red dragon however bears the title grand grimoire on its own multiple editions of it exist some with material tacked on it takes the form of a long ritualistic ceremony designed to secure communication with a demon known as lucifuge rofocale followed by various invocations and incantations and spells the contents are heretical in the extreme from rituals involving boiling a black cat to the use of toxic substances in ritual form small wonder that this text has gained so much notoreity

the grand grimoire is a foundational book of magic from the 19th century this translation is the most accurate ever and is presented with parallel french english text a comprehensive introduction covers the development of magic the history of the grimoire the witch trials the inquisition the themes key insights and much more the complete translation of a contemporary novel that provides relevant social context to the grimoire is also included the foreword is by noted author and occultist baal kadmon this edition incorporates the seals and images of the spirits of the grand grimoire many never seen before this will aid the magician in concentration and visualization of the spirits so that they may be evoked for practical purposes the
