rumi s short poems have many tones and effects some of them are quick joyful and whimsical some are finely faceted abstract statements some probe the inward space of patience and longing moyne and barks translated these poems using a free verse style connecting these poems with great american spiritual poets such as walt whitman and gary snyder

goethe s message to the 21st century islam is the rescue for humanity stupid that everyone in his case is praising his particular opinion if islam means submission to god we all live and die in islam johann wolfgang goethe

focusing on rumi the best selling persian mystical poet of the 13th century this book investigates the reception of his work and thought in north america and europe and the phenomenon of rumimania to elucidate the complexities of intercultural communication between the west and the iranian and islamic worlds presenting tens of examples from the original and translated texts the book is a critical analysis of various dimensions of this reception outlining the difficulties of translating the text but also exploring how

translators of various times and languages have performed and explaining why the quality of reception varies topics analysed include the linguistic and pragmatic issues of translation comparative stylistics and poetics and non textual factors like the translator s beliefs and the political and ideological aspects of translation using a broad theoretical framework the author highlights the difficulties of intercultural communication from linguistic semiotic stylistic poetic ethical and sociocultural perspectives ultimately the author shares his reflections on the semiotic specificities of rumi s mystical discourse and the ethics of translation generally the book will be valuable to scholars and students of islamic philosophy iranian studies and translation studies but will appeal to anyone interested in the cultural dichotomies of the west and islam

a groundbreaking contribution to rilke scholarship that significantly expands the existing debate concerning the relation between rilke s poetry and phenomenological philosophy

this collection of primary texts introduces readers to the mystical literature of the world s great religious traditions beginning with an introduction by steven t katz a leading scholar of mysticism the anthology comprises poetry prayer narrative and other writings from jewish christian muslim hindu buddhist taoist confucianist and native american traditions this collection provides readers not only with the primary mystical texts from each religious tradition but with an explanation of the context of the source and tradition comparative mysticism shows how the great mystical traditions of the world are deeply rooted in the religious traditions from which they originated the contextual methodological approach taken throughout the anthology also addresses the critical question of what these mystical traditions at their highest level have in common despite the prevailing view that mystical traditions throughout the world are essentially similar the presentation of the sources in this volume suggests that in fact the various traditions have distinct teachings and different metaphysical goals the writings collected in comparative mysticism address the most fundamental and important methodological epistemological and hermeneutical questions regarding the study and interpretation of mysticism and mystical sources across cultures this anthology will be an invaluable resource to students and scholars of mystic tradition for years to come

chants of a lifetime offers an intimate collection of stories teachings and insights from krishna das who has been called the chant master of american yoga by the new york times since 1994 the sound of his voice singing traditional indian chants with a western flavor has brought the spiritual experience of chanting to audiences all over the world he has previously shared some of his spiritual journey through talks and workshops but now he offers a unique book with audio download combination that explores his fascinating path and creates an opportunity for just about anyone to experience chanting in a unique and special way chants of a lifetime includes photos from krishna das s years in india and also from his life as a kirtan leader and the audio that is offered exclusively in the book consists of a number of private chanting sessions with the author instead of just being performances of chants for listening the recordings make it seem as if krishna das himself is present for a one on one chanting session the idea is for the listener to explore his or her own practice of chanting and develop a deepening connection with the entire chanting experience

this is the first complete translation of the nearly 2 000 quatrains attributed to jalaluddin rumi the famous 13th century mystical poet it is the result of over 22 years of collaboration by an american rumi scholar and an afghan scholar of persian literature it should appeal to a wide variety of lovers of mawlana rumi s poetry not just specialists general readers who seek a deeper understanding of his spiritual teachings than popularized books often interpretive versions claimed as translations can provide as well as those interested in religious mysticism in general and islamic mysticism sufism in particular the quatrains are ordered according to stages and themes of the lover and beloved spiritual disciple and sufi master most of the translations are followed by explanatory notes those intended for the general reader have asterisks and often refer to the notes an

appended glossary readers who have access to previously published translations and versions of the quatrains can use the appended concordance to make comparisons quatrains in the earliest manuscripts that have been found to be composed by earlier poets have been identified and placed in another appendix few of the quatrains have been previously translated by scholars the quatrains in popularized books are often distorted versions mostly rendered by authors who do not know persian those who do often tend to omit change or add here the poems are presented in the context of the islamic sufi poetry in the persian language 800 years ago wine and drunkenness do not involve alcoholic intoxication but are metaphors for the mystical taste of spiritual grace and ecstasy the lover s longing and self effacing love is not romantic but spiritual love of the seeker for his sufi guide this love is a means to the goal of pure worship of god most high the only beloved that necessitates self effacement and mystical drowning in the reality described in the qur an everything perishes except his face

the phantom heroine in particular the fantasy of her resurrection through sex with a living man is one of the most striking features of traditional chinese literature even today the hypersexual female ghost continues to be a source of fascination in east asian media much like the sexually predatory vampire in american and european movies tv and novels but while vampires can be of either gender erotic chinese ghosts are almost exclusively female the significance of this gender asymmetry in chinese literary history is the subject of judith zeitlin s elegantly written and meticulously researched new book zeitlin s study centers on the seventeenth century one of the most interesting and creative periods of chinese literature and politically one of the most traumatic witnessing the overthrow of the ming the manchu conquest and the subsequent founding of the qing drawing on fiction drama poetry medical cases and visual culture the author departs from more traditional literary studies which tend to focus on a single genre or author ranging widely across disciplines she integrates detailed analyses of great literary works with insights drawn from the history of medicine art history comparative literature anthropology religion and performance studies the phantom heroine probes the complex literary and cultural roots of the chinese ghost tradition zeitlin is the first to address its most remarkable feature the phenomenon of verse attributed to phantom writers that is authors actually reputed to be spirits of the deceased she also makes the case for the importance of lyric poetry in developing a ghostly aesthetics and image code most strikingly zeitlin shows that the representation of female ghosts far from being a marginal preoccupation expresses cultural concerns of central importance
