eleven year old jj loves baseball but ever since his dad died he feels like he's fallen under an evil curse as hard as he tries his game is off and then his mom takes him away from all his friends and moves him to a little town in ohio where baseball is king after striking out for the hundredth time he's backed up against the playground fence and told by calvin the creep and the rest of the hotshots that they'd rather have a dead frog on their team instead of him and then things get worse

this book focuses on the significance of the body in contemporary feminist scholarship in recent years the body has become a hot item in both contemporary social theory and research this renewed interest has received a mixed reaction from feminists while the body may be back the new body theory often proves to be just as disembodied as it ever was the body revival seems to be less an attempt to re-embody masculinist science than just another expression of the same condition which evoked the feminist critique in the first place a

flight from femininity and everything that is associated with it in western culture embodied practices offers a critical appraisal of the recent body revival drawing upon insi

women science fiction authors past and present are united by the problems they face in attempting to write in this genre an overwhelmingly male dominated field science fiction has been defined by male centered scientific discourse that describes women as alien others rather than rational beings this perspective has defined the boundaries of science fiction resulting in women writers being excluded as equal participants in the genre frankenstein s daughters explores the different strategies women have used to negotiate the minefields of their chosen career they have created a unique utopian science formulated by and for women with women characters taking center stage and actively confronting oppressors this type of depiction is a radical departure from the condition where women are relegated to marginal roles within the narratives donawerth takes a comprehensive look at the field and explores the works of authors such as mary shelley marion zimmer bradley ursula k le guin and anne mccaffrey

this fascinating study is the first to examine the history of gender and science fiction and the first to discuss science fiction pulp magazines images of women as well as postmodernism and feminist science fiction robin roberts begins with shelley s frankenstein in which a female alien appears and continues through h g wells the 1950s pulp sf magazines doris lessing and feminist utopias and the new generation of science fiction writers including joan vinge sheila finch and many others
